Unfinished Business

- Celebration of Achievement: 11/19/2006 - 2 pm.
 - The gifts for the honorary members are in process. Sue Koehler has the frames, and has ordered the plaques to complete the gifts. She will purchase mat board and paper, and submit her reimbursement to Nita Hawkins, and have her use the P-card to pay A-Frame awards \$40.28 for the plaques, which will be ready by the end of the week.
 - Current RSVP's are at 39, with 8 inductees, 4 of which are seniors, and 4 current member seniors. The international indicates that 57 new members have paid them.
 - Jessie Hurse will be our master of ceremonies, and handle introductions. Sue will read the names names, Autumn will be pass out the certificates. We will verify phonetic names as they check in prior to the ceremony.
 - We will make up folders for the sophomores being honored, to give them information on future Golden Key participation, and we will insert an officer form into the new inductee packets.
- The ICC Food Drive continues, with new vigor since we are competing against Mott, Kettering and Baker. We are in Team 1, and the collection boxes are in the Student Loft. This event runs from 11/1 through 11/15/2006.

New Business

The Student Organization Fair is sponsoring a Campus Life Showcase on November 30th. Mindy will sign up for a table, and staff it for this event. We do not have anyone to man a table at the Homecoming event.

General Meeting

We are pleased to see three new members join us for the general meeting, and the time was spent discussing our website and ways to include more information on it, including a calendar on the site, communication, future events, and the need for new officers after the December graduation, as the current leadership is all moving on.

With no further business, the meeting adjourned at 3:50 pm.

Our next event is the Celebration of Achievement on November 19th at 2:30 pm, at which our next meeting will be announced.

Respectfully submitted,

Susan Payeur Koehler
