

University of Michigan-Flint Tenure-track Assistant Professor of Physics

The University of Michigan-Flint invites applications for appointment as a tenure-track Assistant Professor in Physics beginning fall 2009. The University of Michigan-Flint is a non-discriminatory, Equal Opportunity/Affirmative Action Employer. Women and minorities are encouraged to apply. Physics currently offers the following degree programs: Bachelor of Science General Program, Bachelor of Arts General Program, Bachelor of Arts Honors Program, Bachelor of Arts Teacher's Certificate Program.

Minimum requirements are as follows:

- 1) Ph.D. in Physics or closely related discipline
- 2) Evidence of competent teaching in an undergraduate physics program
- 3) Record of published research and promise of future productivity

Preference will be given to the candidate who has previous teaching experience in undergraduate physics courses beyond laboratory instruction. Post doctoral experience is desirable, but not required.

Applications must include curriculum vitae, transcripts, a statement of teaching philosophy, a research plan including resource requirements and undergraduate student involvement, and the names and address of at least three references. Send applications to Chris Pearson, Chair, Department of Computer Science, Engineering Science, and Physics, University of Michigan-Flint, Flint, MI 48502-1950; email address pslackta@umflint.edu. In addition to submitting directly to the hiring department as described above, you are also required to submit your vita through the University of Michigan's job posting website at <http://www.UMjobs.org/>. Review of applicants will begin immediately and continue until the position is filled. Applicants must be eligible to work in the United States. For more information about the university, department, or position go to <http://www.umflint.edu/csesp>.
