The certification must be **current** before a teaching certificate will be granted. Adult/Child CPR and first aid certificates are usually "current" for one year in CPR and three years for First Aid.

For the teaching of certain subjects, the North Central Association of Colleges and Schools requires a preparation that might be in excess of the requirements for the certification minor. Its requirements, which apply to teachers in any school that is a member of the North Central Association, are revised from time to time.

It is recommended that students request a copy of the North Central Association publication, *Policies and Criteria*, available from the North Central Association, 950 Victors Way – Suite 50, University of Michigan, Ann Arbor, Michigan 48108-2736; (734) 998-9300.

*In exceptional circumstances, modifications in the requirements for certificate programs and for minors may be made with the approval of the student's academic advisor and the Chair of the Education Department.*
