

MISDEMEANOR/FELONY CONVICTION FORM

The Michigan State Board of Education has the authority under **PART 10. ADMINISTRATIVE HEARINGS**, of the Administrative Rules Governing the Certification of Michigan Teachers, to deny, suspend, or revoke a teaching certificate (**R 390.1201**). The rule(s) state:

Rule 101.(1) The state board may refuse to grant or renew, or may revoke or suspend for a fixed term, or may impose reasonable conditions on, a teaching certificate granted pursuant to these rules for the following reasons:

- (a) Fraud, material misrepresentation, or concealment in the application for a certificate.
- (b) Failure or ineligibility of the applicant or certificate holder to meet the criteria for eligibility for the certificate.
- (c) Conviction, as an adult, of an act of immoral conduct contributing to the delinquency of a child, or of a felony involving moral turpitude.

R 390.1151(2) of the Administrative Rules Governing the Certification of Michigan Teachers allows sponsoring institutions recommending applicants for teacher certification to establish selection techniques which insure that only qualified students are admitted to the teacher education program and that only qualified students are sponsored for certification. An applicant to a teacher education program who has been convicted of a felony or misdemeanor may be denied admission to teacher education OR field placements OR recommendation for certification. **An applicant who has been convicted of a misdemeanor or felony at any point in his or her academic program at the University of Michigan-Flint must notify the Education Department in the School of Education and Human Services within 30 days of the conviction** and may be granted a hearing prior to a final decision regarding (1) admission to teacher education, or (2) field placement, or (3) recommendation for certification. Such a hearing will be initiated by the Education Department in the School of Education and Human Services. It shall provide convicted applicants an opportunity to demonstrate that the conviction would have no adverse affect on their ability to teach children and that they have been rehabilitated.

Applicants should note that the **State Board of Education** has the **final authority** to **deny a recommendation for certification** based upon an individual's conviction. In addition, **all Michigan K-12 schools** are **required to conduct criminal records checks** for all newly-employed teachers.
