Calendar, tuition, and fees are subject to change. During late registration periods, add/drop forms require the Instructor's signatures. You may petition to add after the deadline. Petitions to drop after the final drop deadline are not normally granted and require specific documentation. **Note: Nonattendance does not constitute an automatic drop.** If you are enrolled in a class and do not plan to attend that class, you must drop the course via the web or complete a drop form and submit it to the Registrar's Office prior to the relevant deadline. (Faculty members have the right to drop you if you miss both of the first two class days of a semester or did not participate in an online class for the first week, but this action is not automatic.) If you are a registered student and receiving financial aid, you are authorizing the University to deduct all University debts from your current year's financial aid funds.

Fall 2009 Deadlines for 7-week courses that begin the 2nd half of the semester (starting approximately 10/26/09):

		Disenroll from 7-week courses:	
Late registration/add deadline	10/30/09, 5:00pm	2 week deadline	11/6/09 \$50 plus fees, 5:00pm
Drop 7-week course with fee adjustment*	11/6/09, 5:00pm	3 week deadline	11/13/09 ½ tuition plus fees, 5:00pm
Final drop without petition deadline	11/13/09, 5:00pm	beginning	11/14/09 full tuition plus fees

Remember "drop" implies that you are still registered for another course. Disenrolling means you are not registered for any other course.

* Fee adjustments for dropping courses are based on total credit hours for the semester.

3. Clear any financial holds through the Cashier's Office or the Library.
