Supplemental Instruction (SI)

Supplemental Instruction (SI), developed in the early 1970s at the University of Missouri-Kansas City, features trained SI Leaders who provide academic support for students enrolled in identified course sections. The SI Leader often attends classes with the students and leads at least two collaborative learning sessions per week. SI sessions are voluntary and open to all students enrolled in the identified section. For more information, contact Michael Kassel in the Academic Enrichment Center, located in 264 UCEN, at 810-762-3456 or email at mkassel@umflint.edu.

If you are enrolled in a class and do not plan to attend that class, you must drop the course via the web or complete a drop form and submit it to the Registrar's Office prior to the relevant deadline. (Faculty members have the right to drop you if you miss both of the first two class days of a semester or did not participate in an online class for the first week, but this action is not automatic.) If you are a registered student and receiving financial aid, you are authorizing the University to deduct all University debts from your current year's financial aid funds.

Registration Information

All students will be registering via the web Winter 2011 semester.

Early Registration

Students are eligible to participate in Early Registration for Winter 2012 (November 9-23) only if they have been enrolled sometime between Winter 11 semester and the Fall 11 semester.

1. Have a financial hold. (Payments may be made at the Cashier's Office, 261 PAV. Library fines are payable at the Thompson Library and the Cashier's Office.)

If a student has forgotten their PIN, and has previously supplied a personal Security Question, they may simply enter their User ID and click the Forgot PIN? Button at the bottom of the login page to answer their security question and reset their PIN. If no security question has been supplied, or there are problems with the PIN, they should contact the Information Technology Services (ITS) help desk.

3. Clear any financial holds through the Cashier's Office or the Library.
4. Make an appointment with their advising department if your department requires one.

5. Obtain any special approvals that are required (e.g. independent study courses; consent of instructor).
6. Register via the website (SIS) on your scheduled day (see calendar).

Registering for more than 18 hours?

Students must be approved to take more than 18 hours BEFORE they register. SIS will not allow selection of more than 18 credit hours. Wait listed courses are not counted in the 18 hour maximum.
