Calendar, tuition, and fees are subject to change. During late registration periods, add/drop forms require the Instructor's signatures. You may petition to add after the deadline. Petitions to drop after the final drop deadline are not normally granted and require specific documentation. Note: Nonattendance does not constitute an automatic drop. If you are enrolled in a class and do not plan to attend that class, you must drop the course via the web or complete a drop form and submit it to the Registrar's Office prior to the relevant deadline. (Faculty members have the right to drop you if you miss both of the first two class days of a semester or did not participate in an online class for the first week, but this action is not automatic.) If you are a registered student and receiving financial aid, you are authorizing the University to deduct all University debts from your current year's financial aid funds.
