

**Phase II Funding Pilot Program**  
**for Completed Research and Creative Activity Projects**

**Eligible applicants:** Junior Faculty (tenure track) funded through RCAC can apply for Phase II funding within 2 years from project completion date (rolling deadline).

**Eligible activities:** Travel support to present completed project work or other dissemination efforts based on project activities. For conference presentations, please attach documentation of acceptance or invitation. Publication related expenses are not eligible.

**Limit:** \$500. Funds must be used within one year from date of application. Once funded activities are completed, recipients must send, within 60 days, a brief report of expenditures with copies of receipts to Peggy Roddy, Office of Research, 530 French Hall, [proddy@umflint.edu](mailto:proddy@umflint.edu).

**Please note:** Total funding for this pilot program is \$10,000. Once funds are utilized, the program will be evaluated to determine if and how the program will continue. The Office of Research will announce fund depletion.

**To apply for funding, please complete the form below and submit to:**
