

STUDENT ASSOCIATION OF MICHIGAN
Policy Endorsement Statement
Sustainability

In order for a university to receive a Student Association of Michigan Policy Endorsement on sustainability, the university shall:

- Implement, improve, and educate on economic, social, and environmental sustainability, including, but not limited to
 - Decreasing the use of non-eco-friendly products and increasing the use of eco-friendly products;
 - Minimizing its use of non-renewable energy and improve its use of energy efficient products
 - Meeting Leadership in Energy and Environmental Design (LEED) certification requirements in new building projects and renovations; and
 - Utilizing and increasing the use of online document-sharing resources to reduce paper waste.
