Internship Reflective Statement
The Reflective Statement should be at least 1,200 words, contain a focused thesis statement, and address the following question:

*How has your internship experience influenced your understanding of the historical discipline?*

As you answer this question be sure to reflect on the following:
- the specific skills and knowledge you have learned as a history major and as a baccalaureate
- the type of activities in which you were engaged
- the role that your activities played in the process of historical inquiry
