- All Greek GPA: 2.75

**WINTER 2011**
- Fraternity GPA: 2.06
- Sorority GPA: 2.92
- All Greek GPA: 2.36

Scholarship information reflects Semester GPA

Interfraternity Council

The council voted to grant chapters the option to hold Mid-Semester Rush at the request of the member organizations.

Panhellenic Council

Sigma Sigma Sigma chartered the Theta Beta chapter in November 2010 after colonizing in February 2010. Campus Total was set at 35 by the Panhellenic Council.

National Pan-Hellenic Council

Phi Beta Sigma Fraternity, Inc. crossed three new members in April 2011, and will be recognized as the Epsilon Mu chapter. With this addition, UM-Flint has six of the Divine Nine organizations on campus.
LEADERSHIP DEVELOPMENT

Over the course of the 2010-11 academic year, a variety of leadership opportunities were made available to Greek students. In September, a Drunk Driving Simulator was on campus. This provided students with an opportunity for a virtual experience when intoxicated and attempting to drive. Dave Westol of Limberlost Consulting came to campus in October to present his “Hazing on Trial” presentation. In February, eight Greek students attended the Grand Valley State University Leadership Summit.

The academic year drew to a close in May when forty-nine Greek students traveled via university charter buses to Camp Oheylisa in Fenton to participate in the North-American Interfraternity Conference IMPACT program. IMPACT allowed students to come together in a safe place to identify areas of concern in the Greek community and find ways to address and resolve these issues. An additional goal of the program was a commitment by the participants to living the Ritual, and creating credibility and congruence within the fraternity and sorority communities by aligning actions and fraternal values.

PHILANTHROPY & COMMUNITY SERVICE

In the past year, Greek organizations participated in a range of community service efforts which raised awareness for their philanthropies. In October, during Greek Week, the entire Greek community worked to raise awareness and money for Children’s Miracle Network via banner competitions and hosting the annual Miracle Ball. Approximately $5,700 was raised for Children’s Miracle Network with all proceeds staying in Genesee County. The entire Greek community came together in February to raise awareness for Special Olympics Michigan. 18 students signed up to participate in the Polar Plunge at Lake Fenton. The Greeks raised $3,709.79 for Special Olympics Michigan with the money remaining in Genesee County. In addition to philanthropic activities, the Greek community put forth great effort in their community service projects. Kappa Sigma Fraternity worked with Habitat for Humanity and Student Veterans of America to rehab a home. Theta Chi Fraternity teamed up with Salvation Army, and participated in Red Kettle Week. Many of the chapters also participated in American Cancer Society’s Relay for Life and Making Strides Against Breast Cancer Walk.
