InterFraternity Council

The council successfully held its first expansion process, and selected Alpha Sigma Phi Fraternity to join the Greek family in Fall 2012.

College Panhellenic Association

The council hosted its 2nd Annual Mr. Panhellenic Pageant. Proceeds totaling $696.88 were donated to the national philanthropies for each of their organizations.

National Pan-Hellenic Council

Sigma Gamma Rho Sorority, Inc. became recognized as an official colony. Their journey to becoming a chapter at UM-Flint began in February 2012 when they crossed four women.
Leadership Development

A variety of leadership opportunities were made available to Greek students over the course of 2011-2012. In September, a Drunk/Texting while Driving Simulator was brought to campus. This provided students with a virtual experience of texting while driving and attempting to drive while intoxicated. Travis Apgar of CAMPUSPEAK presented his workshop “Hazing: The Fallout” in October. Ten students attended the NIC Undergraduate InterFraternity Institute (UIFI) in Bloomington, Indiana on scholarships sponsored by Greek Council with two students receiving national scholarships to attend UIFI.

Philanthropy & Community Service

Greek organizations this past year participated in a range of community service efforts raising awareness for their philanthropies. In October during Greek Week, the entire Greek community worked to raise awareness and money for Children’s Miracle Network. The College Panhellenic Association raised funds through their annual Powderpuff Game and Mr. Panhellenic Pageant. Theta Chi Fraternity and Kappa Sigma Fraternity both sponsored Shave-A-Guy events. The Greek community also had a presence at Relay for Life, with Phi Sigma Sigma Sorority receiving awards for Most Money Raised and Highest Individual Fundraiser. Order of Omega completed its first year as an official chapter, and raised funds for the Eastern Michigan Food Bank at their “Holiday Photos” event. Theta Chi was awarded a Children’s Champion Award from Priority Children.
