✓ Safe / comfortable environment
✓ Relaxed atmosphere
Non-judgmental setting
Community connection
Students take ownership of their learning

“While we have grown and prospered for more than half a century, our core mission remains fundamentally the same— to educate students. That education takes place in the classroom, of course, but it also takes place in out-of-class experiences, in the community and beyond.”

Ruth J. Person, Chancellor
Blue Notes, September 2013
