INTRODUCTION
The 2013-2018 collective bargaining agreement between the University and the Lecturers’ Employee Organization (LEO) calls for a Lecturer Professional Development Fund (the “Fund”) for LEO Lecturers on the Flint campus. Awards of up to $900 are available to eligible Lecturers each academic year. The purpose of the Fund is to encourage creativity through the support of Lecturer professional development by providing grants in support of activities that enhance Lecturers’ teaching at the University of Michigan-Flint; the Fund is not intended to provide a salary supplement to the Lecturer.

ELIGIBILITY
1. Any Lecturer who has an active appointment or who is on an approved leave of absence at the time a proposal is submitted may apply for an award from the Fund.
2. A successful applicant must also demonstrate that he or she has a reasonable belief that he or she will hold an appointment beyond the time the award is disbursed.
3. The applicant must demonstrate that he or she has applied for any other professional development funding available within his or her academic unit(s) prior to submitting a proposal to the Fund.

5. Does the proposal offer a way for the Lecturer to share results of his/her work with a broader scholarly community?
