

Michigan Test for Teacher Certification 2016-17 Fee Waiver Voucher Application

The Fee Waiver Voucher will pay the fee for **one** MTTC Subject-Area test. The student is responsible for any additional fees (e.g., the fee for an additional test for which you do not have a voucher, a late registration fee, an emergency registration fee, etc.).

When registering for your intended test(s), log in to your account on the MTTC website, www.mttc.nesinc.com, and select "Register." Follow the prompts to complete the registration selection process. Examinees will be assigned to one or both sessions according to the number and type of tests for which they have registered. Once you are on the "Payment" screen, enter your voucher code in the "Voucher" field and click "Add".

If you are absent from the test administration, you will not be eligible for a refund nor will the voucher be applied to a subsequent test administration.

Refer to the following table for information about registration options and deadlines for each paper-based test administration.

See "[Test Sites](#)" for details about test area availability on each test date. Test area availability varies by test date.

- The deadline for submission of requests and all necessary documentation for **alternative testing arrangements** is the **regular registration deadline**. Because of space, staff, and time constraints, there can be no assurance that requests received after this deadline can be accommodated.
- Your registration must be completed by 5:00 p.m. eastern time on the registration deadline for the period.

Please allow three business days from the score report date before accessing MDE certification files using your score(s).

You must have a valid 2016-2017 FAFSA on file with the University of Michigan – Flint to be considered.
