

Michigan Test for Teacher Certification
2017-18 Fee Waiver Voucher Application

The Fee Waiver Voucher will pay the fee for **one** MTTC Subject-Area test. The student is responsible for any additional fees (e.g., the fee for an additional test for which you do not have a voucher, a late registration fee, an emergency registration fee, etc.).

When registering for your intended test(s), log in to your account on the MTTC website, www.mttc.nesinc.com, and select "Register." Follow the prompts to complete the registration selection process. Examinees will be assigned to one or both sessions according to the number and type of tests for which they have registered. Once you are on the "Payment" screen, enter your voucher code in the "Voucher" field and click "Add".

If you are absent from the test administration, you will not be eligible for a refund nor will the voucher be applied to a subsequent test administration.

Refer to www.mttc.nesinc.com for a link to test dates and sites based on subject area for dates and deadlines.

You must have a valid 2017-2018 FAFSA on file with the University of Michigan – Flint to be considered.
