With Guest Speaker Dr. Ayman Haidar

ABOUT THE SPEAKER: Dr. Haidar is a board certified Internal Medicine specialist. He graduated from Tishreen University in Latakia, Syria in 1991. He completed an Internal Medicine residency at McLaren Regional Medical Center and Michigan State University in 1996.

After graduation he worked in Flushing, MI as an internist taking care of patients in the community.

Then he worked at several urgent care clinics in Ann Arbor and Canton, MI. He also was the medical director of a busy Occupational Medicine clinic in Ypsilanti, MI.

Dr. Haidar came back to Flint in 2001 and started Genesee Urgent Care serving Genesee County. Initially the urgent care was started on Linden and Calkins road. Then as the practice got busier it was moved to its current location on Linden road between Lennon and Corunna. He also opened another branch for the Urgent Care in Swartz Creek.

Dr. Haidar is the founder and owner of EMedicalNotes, a leading electronic medical records (EMR) provider in Michigan. EMR facilitates the transition of medical practice that uses paper charting to document patients visits to a paperless database driven way of creating and updating charts.

He is an active member of several medical associations including American Medical Association, American College Of Physicians, Genesee County Medical Society and Urgent Care Association of Michigan. He served on several non-profit organizations such as the American Arab Heritage Council and Flint institute of arts.
