

LCC »»» UM-FLINT BUSINESS TRANSFER GUIDE

BACHELOR OF BUSINESS ADMINISTRATION

Transferring to the University of Michigan-Flint (UM-Flint) School of Management from Lansing Community College is easier than you might think! An articulation agreement between the schools allows for students to make a smooth transition to UM-Flint in pursuit of their Bachelor of Business Administration (BBA) degree. Below are just a few reasons why you should “Go Blue”.

ACCLAIM

A University of Michigan education is highly regarded the world over. The School of Management is recognized by the Princeton Review, U.S. News & World Report, Bloomberg Businessweek, and many others as a highly ranked business school. The School of Management is also accredited by AACSB International, the premier accrediting body for business schools. Globally, just 5% of business schools have received this accreditation.

FLEXIBILITY

Courses are offered in a variety of delivery formats to make the BBA program more accessible. Select from Traditional, Evenings, Mixed-Mode, or Online course. Students seeking an even more flexible option can pursue the BBA Online. With the BBA Online, you can craft a schedule that best fits your life. School of Management advisors are also available to assist you with planning your path through the BBA or BBA Online program.

OPPORTUNITY

Be involved with student business organizations, academic exchange programs, faculty-led study abroad trips, and much more. We provide an abundance of opportunities for you to expand your education outside the classroom. The School of Management also provides career development opportunities such as: interview and resume workshops, employer networking, and career fairs to assist you with finding an internship or professional position prior to your graduation.

FOCUS

With eight options for majors, our BBA program provides an education focused on your specific career interest. Students select one major: Accounting, Entrepreneurship & Innovation Mgt, Finance, General Business, International Business, Marketing, Operations & Supply Chain Mgt, or Organizational Behavior/Human Resources Mgt.
