Michigan Uniform Undergraduate Guest Application

INSTRUCTIONS

This form will serve as your application for admission as a guest student at a Michigan college or university. All prospective students should check with the guest institution to determine if additional requirements are necessary for admissions or enrollment. This form does not ensure transferability of courses taken at the guest institution to the home institution.

Fill out **Part I** of the application. Then take the application to the Registrar where **Part II** will be completed and signed. The completed guest application will be then sent from the home institution to the school to which you are applying.

Guest Students:

1. Are subject to all the admission and registration regulations of the guest institution.
2. Do not have permission to register as a degree candidate at the guest institution.
3. Are responsible to determine that the home institution will accept credit earned as a guest student.
4. Must understand that falsification of any part of a guest application may result in cancellation of admission and/or registration at the guest institution.
5. Must arrange to have a transcript of any guest credit earned as a guest student sent from the guest institution back to the home institution.
6. Wishing to apply for financial aid should verify their eligibility with the guest institution.

PURPOSE

The Michigan Association of Collegiate Registrars and Admissions Officers (MACRAO) guest application requires guest students be all of the following:

1. Regularly enrolled students for degree completion at their home institution.
2. In good academic standing (2.0 GPA) or eligible to return to their home institution.
3. Transferring guest credit to their home institution.

Good Practices

- Guest application must be renewed by the student each semester as necessary.
- Guest students should be advised to attend a specific institution for a specific course.
- The course or courses to be taken should be denoted on the guest application form under the section titled Courses Planned to Take.
- The guest application should be signed and sealed by the appropriate college or university official.
- The signing representative should indicate his/her name, title, and phone number on the guest application form.

UM-FLINT STUDENT INSTRUCTIONS

Students must complete the final 30 credits at UM-Flint. Therefore, UM-Flint students with 90 or more credits must petition the appropriate Academic Standards Committee for a possible exception to this policy.

After the final grade is reported, the student must arrange to have the visited institution send an official copy of the transcript to the Office of Admissions at UM-Flint. **Ordinarily, students will not be permitted to register for more than one course at a time at the visited institution. Permission to enroll in more than one course at a time must be granted by the appropriate Academic Standards Committee. Guest students, as a rule, are not eligible for financial aid.**
