HCR 490 Advanced Internship
Proposed Capstone Project Application

Instructions:
Provide detailed responses to the following items and return to the PHHS Office (3124 WSW) or scan and email to PubHealthIntern@umflint.edu. Once Application is approved the HCR 490 Agreement Form must be completed and returned (prior to HCR 490 registration).

1. Proposed Project Topic.

2. Describe the agency where the project will be conducted.

3. What problem or issue will the project address? What is the purpose of the project?

4. Provide at least 3 references that will be included in your literature review to be completed for the project.

5. What are the expected benefits of this project for your agency?

6. What are the learning objectives for this project (what do you expect to learn)?
