The Department of History will select a group of history majors to participate in a travel expedition as part of the Wyatt Exploration Program. To be considered for participation, students should submit a completed application directly to the History Department by the posted deadline below. Applicants will be notified on the status of their application after a decision has been made.

In evaluating the applications, several things will be considered, but active participation in Wyatt Exploration Program activities (lecture series, etc.) during the current year will be a major consideration in the selection process. The department seeks to create a diverse team of students who have demonstrated their enthusiasm and engagement with the on-campus exploration activities, who are most likely to benefit from the travel expedition and who will work together most effectively as a group.

Most travel expenses for student explorers will be covered directly by the History Department but some expenses for incidentals, occasional meals and other small expenses may be the responsibility of the individual student.

By submitting this application, the applicant understands that the review committee will also examine university transcripts.

Things to remember when submitting your application:

- Attach your Wyatt Passport to the application form.
- Attach your essay to the application form.
- Confirm that you are a declared History major (this can be done through SIS or the registrar’s office).
