is recognized for outstanding contributions to the success of the campus and is therefore awarded this

STERLING STAFF AWARD

"Mrs. Godmar is absolutely amazing! She is extremely helpful in analyzing students' transcripts, guiding students in making the right choices, and stays in touch. I am a transfer student with numerous credits from other institutions. Mrs. Godmar took the time to pour through my classes, found some which appear to satisfy UM-Flint requirements, and took it upon herself to petition instructors for consideration in having them fulfill certain courses. She has been exceptionally encouraging as well. I first contacted her from Florida before I moved here and she continues to ceaselessly help me reach my goals. I have seen her busy advising other students as well and know they are receiving as exceptional service I have. You have a fantastic example of what UM-Flint is all about in the person of Mrs. Cheryl Godmar! Thank you!"
