Debbie Seyerle

is recognized for outstanding contributions to the success of the campus and is therefore awarded this

STERLING STAFF AWARD

"Debbie deserves this award because she is always so pleasant and willing to take questions and suggestions from students. Debbie is one that goes the extra mile. If Debbie doesn't know the answer to a question, she will find the appropriate person or place to find that answer. She is always trying to schedule a room change because we as students always want the "best schedule" and Debbie will work with us in order to achieve that. The "best schedule" for us changes week by week and Debbie is willing to listen to our complaints about having a 4-hr break or having class for 4-hrs straight. I have appreciated her hard work and amazing personality over the past couple of years. I will miss Debbie when I graduate! Thanks Debbie!"
