Dominic Fusero

is recognized for outstanding contributions to the success of the campus and is therefore awarded this

STERLING STAFF AWARD

“The fact that he assists ALL the faculty and staff of the School of Management with IT questions and problems, is enough to earn him some kind of award. However, he deserves the Sterling Staff Award because (1) he remains calm even when his to-do list is a mile long; (2) he is gracious even when we (okay, when I) come to him repeatedly with the same problem or question; and (3) on those rare occasions when we bring a problem that he is unfamiliar with, he gets intrigued and won't stop until he has resolved it. Thank You!”
