Jo Ann Shabazz

is recognized for outstanding contributions to the success of the campus and is therefore awarded this

STERLING STAFF AWARD

"She has truly helped me with getting to know the classes, requirements, job opportunities, etc. for my major as well as for my minor. Thank you!" Nominated by Katrice Horton

Jo Ann has really been there, not only for me but for countless others. She is not just an Advisor, she is also a Mentor, Tutor, and a Friend when needed. She has gone beyond the call of duty for all students of UM-Flint. Please consider her for this award. Jo Ann has had the chance to retire, but her love for her career and for people, especially the students of the University, won't allow it. She is faithful, honest, and very persistent in her abilities to inform, correct, and guide each and every student she comes in contact with. In order to speak of her many endeavors to students, we cannot forget her loyalty to her co-workers. She is just as committed to them. Thank you!" Nominated by Vera L. Pruitt
