Karen Arnould

is recognized for outstanding contributions to the success of the campus and is therefore awarded this

STERLING STAFF AWARD

"Karen never fails to help the students in our MPA WebPlus Program in a timely manner. She understands that our students are only on campus once a month and sometimes need special assistance in order to get registered. I truly appreciate the work she does as Registrar and the work of her staff. Karen has the only best people working for her, and they all go to great lengths to make sure our students are successful. Thank you, Karen!"
