Kathy Cornman

is recognized for outstanding contributions to the success of the campus and is therefore awarded this

STERLING STAFF AWARD

"Kathy has had a challenging year getting the ELP up and running. She was hired a few weeks before the beginning of the school year, had to design a curriculum from scratch for an ambitious group of students, and manage a program based on differing expectations. Through difficult administrative and personal issues, Kathy has remained uncomplaining and dedicated, demonstrating a true passion for her profession and her students. She is a great example of leadership and grace under fire. She somehow also finds time to be a supportive mentor and creative innovator. Thank you!"
