Kimberly Butka

is recognized for outstanding contributions to the success of the campus and is therefore awarded this

STERLING STAFF AWARD

“Kim deserves a special recognition and appreciation for her abilities and service to our campus community. As Interim Assoc. Director in Admissions, she has consistently been patient and generous when I was in search of support. Now, as Interim Director in the International Center, she has stepped in, with her calm energy and gentle firmness, and pulled our team together. I feel the office has been infused with a new vibrancy and purpose under her. I feel a renewed sense of drive and dedication, and ideas are allowed to fly like fireflies! Her management style includes trust and respect and approachability. I remember why I wanted to work in this office, and see the potential for this as my dream job. In the two weeks that she has officially been a part of her team, I have seen doors open, both in the sense of professional opportunities for myself and also from the campus community ready to experience our new team and new leader. I am proud to have someone that is respected and befriended throughout our campus family as our new Interim Director of the International Center. Thank you!”
