*"I am a senior at UM-Flint and I had not been able to fully access the Library's resources until I met Margaret. She is always extraordinarily helpful, making me feel free to ask any question that I need answered. It has been so beneficial to my college career to finally be able to utilize the tools that the Library has available, and it was her opening the door that has made them accessible to me. Thank you, Margaret; keep up the good work and continue to make students feel welcome. I no longer feel awkward walking into our Library!"*
