

THE UNIVERSITY OF MICHIGAN-FLINT
STAFF COUNCIL

Mark Mercado

is recognized for outstanding contributions to the success of the campus and is therefore awarded this

STERLING STAFF AWARD

"I wanted to take this opportunity to recognize the merits Mark exhibits with his programming ability in relationship to the on-line scholarship site. His level of expertise is outstanding; and his memory just as good. He has the ability to not only understand the end-user's needs but also to look futuristically, troubleshoot, and anticipate what steps need to be put into place in a methodical manner. Mark demonstrates not only his commitment to the scholarship project but also to the students it serves. If ever he became frustrated, it was self-contained since I did not observe any such instances. Mark works well with his colleagues and has truly been an asset to the ITS department and to Financial Aid, but more importantly, to the University as a whole! Thank you!"
