Melody Bartholomew

is recognized for outstanding contributions to the success of the campus and is therefore awarded this

STERLING STAFF AWARD

“Melody is always very helpful even when she is swamped. She is friendly and caring even when she is dealing with major problems at work or at home. She took this job working for one Chancellor for only a brief time when he fell ill, and just took the ball and ran with it. She has merged into this job well and has adjusted to an Interim Chancellor and now will be working for the new Chancellor. She will have worked for three different bosses in only a little over a year. That's a REAL adjustment! And she has done it with grace and competence and showing everyone how much UM-Flint means to her. Salute! Thank You!”
