

THE UNIVERSITY OF MICHIGAN-FLINT
STAFF COUNCIL

Vickie Redmond-Powell

is recognized for outstanding contributions to the success of the campus and is therefore awarded this

STERLING STAFF AWARD

“Vickie is the focal point of the Early Childhood Development Center. She knows each and every child, parent and staff member and greets them by name as they arrival to school. The children look for Vickie as they have their special morning exchange. She is the glue that holds the Center together. She is detail oriented and very efficient. Vickie maintains a calm, professional demeanor even in the busiest times of the day. She is the only person I know that can answer a phone, hold the door open while getting information for a family and write a need request for a staff member.

Vickie is the backbone of the department and the reason for the ECDC’s success. Thank you!”
