First-Year (Freshman) Admission Checklist

So, you've decided that the University of Michigan-Flint is the place for you. Excellent! The next step is to apply.

Below you can find an easy checklist of what is required for consideration of your application to the University of Michigan-Flint.

1. **Visit our campus.** Before you apply, we would like to strongly encourage you to visit our campus and see for yourself firsthand if the University of Michigan-Flint is a good fit for you [http://go.umflint.edu/visit].

2. **Apply.** You may submit your application online using the [Online Web Application](http://go.umflint.edu/apply). You can also download a printable version; complete and mail/fax it to the Office of Admissions (not available for Mott2UM-Flint Concurrent Enrollment Program students).

3. There is a $30 Application Fee (non-refundable) payable with your paper application (there is no fee to apply online).

4. **ACT or SAT scores:** High school students should schedule and complete necessary ACT or SAT testing; our ACT code is 2063, our SAT code is 1853. Testing should be completed approximately one year prior to entry term.

5. **Official transcripts:** Request that official transcripts from all previous schools be sent to the University of Michigan-Flint Office of Undergraduate Admissions. AP scores should be sent in order to receive course credit (if applicable).

6. **Supporting documents:** Submit all supporting documents for scholarship consideration. This includes an essay and letters of recommendation. Visit our [Merit Scholarships](http://go.umflint.edu/meritscholarship) page for more information about scholarships. While you can write about any subject, you might choose to discuss some of the following:
   - Reason for choosing your major
   - Intended career field
   - Motivation to go to college
   - Obstacles or struggles that you have overcome to pursue your education

**Admission decision:** Please allow at least two weeks from the time we receive all of your credentials to process your application. Processing time can increase during high volume application periods. Applications for upcoming semesters will be processed first during peak periods.
