While you can write about any subject, you might choose to discuss some of the following:
   - Reason for choosing your major
   - Intended career field
   - Motivation to go to college
   - Obstacles or struggles that you have overcome to pursue your education

**Admission decision:** Please allow at least two weeks from the time we receive all of your credentials to process your application. Processing time can increase during high volume application periods. Applications for upcoming semesters will be processed first during peak periods.
