MPH/CFPH
Frequently Asked Questions (FAQ)

1. Do I have to pay both the CFPH and the UM-Flint application fees?
   a. Yes. You are required to pay the MPH application fee when matriculating from the CFPH to the MPH.

2. Will I have to complete two separate admission applications and questionnaires?
   a. If you first applied and were admitted to the CFPH program, the application materials required for the UM-Flint MPH program are simplified to only the questions asked on the MPH program application, which are factual in nature (e.g. education history, demographic information, employment history).

3. If I was admitted to the Ann Arbor Certificate program, can I be denied admission to UM-Flint MPH program?
   a. This is not possible. Admission to CFPH guarantees admission to the MPH program.

4. If I was denied admission to the CFPH program, would I also be denied admission to the UM-Flint MPH program?
   a. If denied admission to the CFPH program, you may still submit a complete application for the UM-Flint MPH program (to include letters of recommendation and a statement of purpose) to be considered for admission.

5. For required transcripts, do I have to have one copy sent to UM-Flint even if I was accepted to the CFPH?
   a. Yes.

6. If I have previously attended both UM-AA and UM-Flint, will I need to have transcripts sent to both institutions?
   a. Please request the UM-Ann Arbor transcripts be sent to UM-Flint. It is not necessary to have your UM-Flint transcripts sent to UM-Flint – we will obtain those for you automatically.

7. Do I have to ask the same person to complete new letter of reference forms for admission to the MPH?
   a. No. Those students admitted to the CFPH program are guaranteed admission to the UM-Flint MPH program (upon receipt of admission to the CFPH program and completion of simplified MPH application).

8. Will UM-Flint MPH students be charged the Ann Arbor tuition rate for the CFPH program or the UM-Flint graduate program tuition rate?
   a. You pay the individual tuition rates for each campus’ courses.

9. How will the financial aid work if I am dual enrolled in the CFPH program and the MPH program? (On the CFPH website the FAQ for financial aid states: UM SPH does not provide financial aid for Certificate students nor are these eligible for Federal student aid).
   a. You may receive financial aid through UM-Flint for the CFPH courses if you are also concurrently enrolled in the UM-Flint MPH program. Students enrolled in both programs must submit a form to the UM-Flint Office of the Registrar if federal student loan companies need proof of enrollment (form found at http://www.umflint.edu/registrar/documents/).
