QUESTIONS

Job Summary

Under limited supervision, implements and enforces the County Sanitary Code and State Laws relating to environmental health through the Oakland County Health Division. Makes field inspections to places such as food establishments, body art facilities, group lodging, and care facilities, home sites, and recreational areas, and makes recommendations pertaining to public health. Performs soil evaluations for onsite sewage disposal and reviews data for feasibility of on-site water supplies. Maintains records and reports for documentation of sanitation matters, and makes recommendations regarding licensure or code violations. May on occasion be required to lift septic tank covers. Utilizes current county-wide and/or department-specific software to complete assignments.

Minimum Qualifications

Applications will be rejected if the following information is not provided at the time of application:

Transcript with award date

Thoroughly documented work history

Valid Driver's License number

The application is incomplete in ANY capacity

1. Possess a Bachelor's degree from an accredited college or university with a major in Public Health, Sanitary Science, Environmental Health or a closely related field.

NOTE: Applicants possessing transcripts from a college or university outside of the United States will be required to provide documentation of degree equivalency from a member of the National Association of Credential Evaluation Services (<http://naces.org/members.html>). The degree evaluation will be required for application processing.

2. Possess a valid United States motor vehicle operator's or chauffeur's license. Out of Country driver's license holders will be required to obtain the appropriate valid State of Michigan driver's license

3. Pass the complete examination, including the employment physical, established for this classification.

4. Successfully complete the six month probationary period.

REQUIRED DOCUMENTS:

Work History

You are required to include your work experience in the Work Experience Section of your NEOGOV application. If you have previously included work history on a resume you must transfer your work history into the Work Experience Section prior to applying. Attached resumes will not be reviewed or considered. Please review the job posting, specifically the purpose of the position and the minimum qualifications, prior to answering the work experience question; and note that only related work experience will be considered. NOTE: Provide full detail in the employment history section noting the skills, experience and hours worked per week pertaining to the minimum qualifications.

College Transcripts

If you have completed education higher than a high school diploma or GED, you must attach a copy of your official/unofficial transcript(s) that clearly state the type of degree and date awarded/conferred, institution name, and applicant name; and is in a format that cannot be modified or edited. Your application will not be considered for further review if you have failed to provide this information. Transcripts from outside the United States must be assessed for U.S. equivalency by a NACES National Association of Credential Evaluation Services (<http://naces.org/members.html>). This documentation must be attached to your application if you are certifying you have an education higher than high school/GED. NOTE: This section is used for TRANSCRIPTS ONLY. Other documents such as reference, cover letter, resume, etc are prohibited and will not be reviewed. If a job offer is made, an official transcript will be required.

Special Requirements

Must maintain a valid United States motor vehicle operator's or chauffeur's license.

Must submit to immunizations as required by the Health Division and to periodic tuberculin skin tests or chest x-rays at County expense.
