

MARKETPLACE *(Affordable Care Act)*

- The Health Insurance Marketplace is an online site where you can shop for and compare health insurance plans.
- To apply for insurance during open enrollment, visit: healthcare.gov/
- If you lose health insurance coverage during the year due to aging out of your parent's health insurance plan, losing a job or due to a divorce, it is known as a "Qualifying Life Event" (QLE). If you experience a QLE, you should be eligible to apply outside of the open enrollment period and purchase health insurance within 60 days of losing your insurance.
