

EARLY CHILDHOOD DEVELOPMENT CENTER

I, the undersigned, _____, on behalf of myself and my child do irrevocably consent to the unrestricted use by the University of Michigan-Flint Early Childhood Development Center, and those acting with the permission and authority of the Early Childhood Development Center, of my name and all photographic or other images of myself and/or my child that the Early Childhood Development Center has taken of me and/or my child or in which we may be included, for all purposes, in any and all media, without limitation, including promotion, solicitation, advertising, or trade.

I am fully aware that my likeness may be in materials available to students, parents, faculty or staff, and individuals outside the university community. I hereby waive any right to inspect or approve the finished images, or printed matter that may be used in conjunction therewith, or to the eventual use that the images may be applied.

I release the Early Childhood Development Center and those acting under their authority, from any liability relating to blurring, distortion, or alteration-intentional or otherwise- that may occur or be produced in connection with any processing, editing, transmission, display, or publication of the Images.

I realize and understand that the Early Childhood Development Center uses are, by nature, not-for-profit. Further, I recognize that all images in which I participate – including film, photographic prints, or digital files – are the exclusive property of the University of Michigan-Flint School of Education and Human Services.

This agreement constitutes the sole, complete, and exclusive agreement between the UM-Flint Early Childhood Development Center and me regarding the images, and I am not relying on other representation whether oral or written.
