

VIOLATION OF PROFESSIONAL DISPOSITIONS: CONCERN REPORT

**The University of Michigan-Flint, School of Education and Human Services
Department of Education**

TO:

FROM:

DATE:

You are being given this report, with a copy provided to the Professional Dispositions Committee and to be kept on file in the Center for Educator Preparation within the School of Education and Human Services. This report is due to concerns regarding your ability to consistently demonstrate the Professional Dispositions necessary to be an effective professional in education. The University of Michigan-Flint's Department of Education's Professional Dispositions reflects national accreditation expectations and Michigan Professional Education's Code of Ethics, developed by the Michigan Department of Education.

There is a concern you are not currently meeting one or more of the dispositions deemed as necessary for a professional in education. This has been indicated within the "Professional Dispositions Assessment" for the Department of Education. The concern/s, evidence, and suggested action/s are outlined below.

Relevant Professional Dispositional Area- Concern and Context:

Note which dispositions you have concerns about and why.

- Professional Commitment and Responsibility
- Professional Relationships
- Critical Thinking and Reflective Practice

Description of Concern/s (please include specific example/s).

Please include a completed copy of the Professional Dispositions form.

Suggested course of action (commentary).

*Please note the appropriate actions that should be taken to assist this student.
(Remediation Plan)*
