

#1

- Engage students
 - follow up
 - transfer students
international students
- } follow up
and
check-in

#2

- grades/retention
- graduation rates
- add more graduate programs
- paid internship
↳ advocate for these internships
- cultural awareness
- student centered
 - "more hip"
 - lowered costs \$
- increase in housing
 - ↳ save cost on energy
 - ↳ getting more students in housing
 - ↳ TESLA (Renewable energy)
 - ↳ STEM ~~Fields~~ Fields
 - ↳ hands on learning

#1

- Place for students to talk

#2

- retain students
- more dept internships
(paid is good)
- consistency \bar{c} paid internships
- responsive to multiple cultures
- embrace students - make it more of a college town \bar{c} modern campus (seems like it was more fun ^(hip) a few years ago)

#2

- equality \Rightarrow various units on campus
in
Relation
to
Resources
and
majors

#3

- smaller in size
- campus life (things for students to do)
- student activities, staff should work w/ students and be involved

#4

- diverse community
- adaptability
- faculty \Rightarrow shaping networks w/ students
- Relationship w/ staff and faculty
- farmers market

#2 • green infrastructure
& student hands on
learning

#3 • more expensive school in
Flint community but less expensive
than other 4 yrs

- campus events not well attended
b/c commuting campus
- lower class sizes \therefore get
interaction \bar{c} faculty

#4 • often hire former students to teach
 \therefore relate better to students

- small campus - easy to navigate
- connection to community
security

- Admin. openings filled very slowly
 - need directors in specific areas
 - e.g. intercultural center
- Challenge - students feel as a lesser part of UM compared to UM-A² students
- Commuter students may not care as much as Flint city residents about city issues, e.g. water
- provide other types of housing, e.g. buy up some older homes in East Village
- housing rules are unreasonable, e.g. limit on # of visitors at one time
- need follow up \bar{c} students after students provide input to strategic plan

#5

- ICC Director vacant for years
- Strengthen connections w/ Community
- Community Speakers
 - ↳ Career & community engagement events
- Making sure students feel a part of community
- Community concerns ⇒ Students from Flint caring more compared to others
 - ↳ greater student engagement
- more information
 - Online
 - where to go for help
 - update website (more user friendly)
- Students, more included in ~~planning~~ conversations

#5

- follow up on goals
- housing is expensive
rates
- faculty and staff reach out to students more
- expanding outreach beyond Flint
- letting students know that 12 credit hours/semester will not afford students the opt. to graduate w/in 4 years
- CAPS \Rightarrow hire more staff

#5

- more transparency & more vocal about water issues now
- student completion
 - courses cancelled \uparrow comp. rate
 - need transparency in how long it takes to complete a degree
 - various credit hour loads
- students get too many emails
 - \therefore don't pay attention to them. Advertise in other ways
- security
