Facilitating Intergroup Dialogues: Bridging Differences, Catalyzing Change

This semester, the TCLT invites faculty to explore the educational and community building method “Intergroup Dialogue.” Utilizing the text *Facilitating Intergroup Dialogues: Bridging Differences, Catalyzing Change* (2011) participants will consider explicit pedagogy that involves three important features: content learning, structured interaction, and facilitative guidance.

Books will be provided to those who register. Lunch will be served at each session.
