

Faculty Request for Temporary Library Privileges for Non-Enrolled Student

To Sponsoring Faculty Member:

The un-enrolled student noted below has requested library borrowing privileges in conjunction with a project under your supervision or subject to your evaluation. The library will extend borrowing privileges to the student for a period up to the end of the current semester if you sign with your authorization. Your signature indicates that the un-enrolled student is working on the project and should, in your opinion, receive regular borrowing privileges with the Thompson Library and through the University Library system. Your signature entails no obligation on your part. The student will be responsible for all obligations incurred through his or her use of the library, including any and all overdue fines, replacement costs or any other charge. Such charges (if applicable) must be settled with the Library System prior to registration, graduation or obtaining transcripts. Thank you for your assistance. For questions, call: 810 / 762-3400.
