The University of Michigan-Flint is a regional comprehensive university that is dedicated to educational excellence and hands-on, engaged learning. Today, the University of Michigan-Flint is a center of excellence in health professions, STEM careers, and entrepreneurship. Our students represent all walks of life and bring a depth of experience to the classroom. We provide affordable excellence that ensures that our students are prepared to use the knowledge gained in their studies to solve the challenges in the world beyond the classroom walls. Students emerge from our university better prepared to put their degrees to work.

Community College Partnerships
UM-Flint has entered into over 80 articulation agreements with Michigan community colleges which would allow a student to apply credits earned in specific programs toward a UM-Flint Bachelor Degree, many of which can be completed entirely online.

Community College Partnerships include:

17 agreements to accept credits towards Bachelor of Science in Nursing degree
12 agreements to accept credits towards Bachelor of Applied Science
13 agreements to accept credits towards Bachelor of Business Administration
Veterans on Campus

259 Veterans on Campus

Gold Level
UM-Flint has received the highest designation from the Michigan Veterans Affairs Agency every year since the program’s launch in 2015.

Veteran Scholarships

- Genesee County Armed Services Veterans Scholarship Fund: For veterans or children whose parent died as a result of military service and who graduated from a Genesee County high school.
- Beverly G. Jones Scholarship for Veterans’ Bachelor of Science in Nursing Students: For veterans enrolled in the Accelerated VBSN program.
- Student Veterans Scholarship: A general UM-Flint scholarship offered to veterans and funded through the sale and annual renewal of the UM-Flint license plate.

Veterans’ Bachelor of Science in Nursing (VBSN)
The VBSN is open to all honorably or generally discharged service members with military healthcare training. It is a compressed program building on veterans’ prior military healthcare training for those seeking a Bachelor of Science in Nursing (BSN) degree. Veterans will complete the program well prepared to pass the Registered Nurse (RN) licensure exam and gain successful employment.

Student Veterans of America - Flint Chapter
The Student Veterans of America - Flint Chapter is a student organization dedicated to workforce integration and the academic success of University of Michigan-Flint Veterans. Its mission is to foster the military to civilian transition by providing a supportive and informative environment.

Member of the National Association of Veterans’ Program Administrators organization.
