The School of Nursing at the University of Michigan-Flint (UM-Flint) and Schoolcraft College (SC) have prepared this transfer guide as an easy transition for SC students transferring to UM-Flint to pursue their Bachelor of Science in Nursing (BSN) degree.

The School of Nursing at UM-Flint offers:
- Accreditation by Commission on Collegiate Nursing Education (CCNE).
- Mixed-mode courses offered monthly from 4:00 - 6:45 p.m. at the WCCCD University Center in Harper Woods.
- Highly accomplished professors that actively engage in teaching and research.
- The ability to complete your BSN coursework entirely online.
- Clinical experience in Leadership and Community Health at sites close to home.
- Study abroad opportunities.

Bachelor of Science in Nursing Requirements
- Completion of specific course requirements in general education totaling 120 or more credits.
- RNs must have earned at least a 2.75 GPA (on a 4.0 scale) in their ADN program.
- A grade of C+ or better is required for all Nursing program courses, including nursing and nursing support courses, Developmental Psychology, and Critical Writing and Reading.

Transfer Guidelines
- Grade of “C” or better is required for courses to transfer.
- A minimum overall GPA of 2.0 is required to be considered for admission to the University.
- Complete a minimum of total 120 credits (including transfer) with a minimum of 45 UM-Flint credits & the last 30 credits must be completed at UM-Flint; (30 credits with a previously conferred UM-Flint bachelor’s degree).
- For more information, visit go.umflint.edu/schoolcraft. Click the “Request Information” button in the right hand column, or contact Brooke Michael at bjkk@umflint.edu.

The UM-Flint BSN program is designed to meet the needs of traditional students, returning students, and students already established in their professional careers. This guide illustrates course equivalencies and maps a curriculum plan that allows SC students to transfer with ease.
